

GOSSIP OF THE RUNNERS.

TWO INTERESTING EVENTS AT BRIGHTON THIS WEEK.

Good Fields Expected in the Oaks and in the Cup Event—Futurity Probabilities

The Increased Attendance—Improvements Completed at Saratoga.

Two stake events of particular interest will be decided at Brighton Beach track this week. On Thursday the Brighton Oaks of \$1,500 for three-year-old fillies at a mile will be one of the best cards of the present meeting while on Saturday the Brighton Cup for three-year-olds and upward, weight for age, will be another. The track is in excellent condition and the meet is to be held on a good field to the point, headed by Gold Heels. For the Oaks W. C. Whitney's Gunhorse by Hastings-Royal Gun, seems to be the most notable eligible. This crack filly has not had a race this year and has been slightly pointed for the Oaks. If she goes to the starter she will probably meet, among others, A. Featherstone's black whirldom, Ithaca, by a son of a colt who has been sweeped off before his date. Another show can also start Dissavantage for whom he has not run last year. She is by St George Vantage and has not been seen in a race this year. Michael F. Dwyer has a crack filly eligible for the Oaks in Femmesse, by Sir Dixons' fiery blossom, who equaled Voter's track record of 12 1/2 for three-quarters of a mile at Brighton the other day. That is the last news from the track, however, as far as racing is concerned.

Futura, by Torchlight, by Henry of Navarre, bushlight, both of whom are swift of foot. These are the pick of the lot and if all of them should go there would be a cracking good race.

Gold Heels has already been made a pronounced favorite for the Brighton Cup, but the turfmen are hoping that his presence in the post will not bring out the tendencies until the field is reduced to a certain number.

It appears to be some doubt as to whether Frank Hart's Blues will be a starter. After his splendid race in the Brighton Handicap blues received a great boost in the estimation of turf sharpies who freely said that at event it would be taken the measure of Gold Heels. Farrell believes this is as possible yet there has been talk the last three or four days that Blues will report to the track as a nonstarter. The record is not a very good one to demonstrate his superiority.

With Blues out of it, Farrel may start Bonham, who has been showing great improvement in his work of late. T. C. Boot's Argument, who finished third to Gold Heels and Blues in the Brighton Handicap and who recently, after a flying trip to Chicago, won the Young's, only race at the Belmont Park, will be shipped East at once and, according to its owner, is a sure star in the Cup.

The race will be worth about \$7,000 to the winner.

Mexican's signal victory in the Produce Stakes on Saturday will serve to make him a factor in the Futurity calculations. In addition to the stars mentioned above Mexican got several berths the best of the start on Saturday and won in consequence of being the only horse to have a clean bill of health.
